

ADITYA INFRA

Construction and Project Management Services

PRESENTATION FOR UPCOMING PROJECTS.

Aditya Infra – Journey

- ▶ **Mr. Satyanarayan Jat** is the visionary founder who laid the foundation of his business with a mission to create his own brand in the construction industry. Right after completing college, he immersed himself in large-scale projects, taking on various roles to gain hands-on experience in every facet of the construction field. This extensive exposure has become the cornerstone of his current brand, **Aditya Infra**.
- ▶ Although Mr. Jat comes from a commercial background, his passion for civil engineering led him to the construction industry. He began his career in 2011 as a labor and manpower supplier contractor. Over time, he transitioned into the role of a petty contractor, successfully completing numerous projects.
- ▶ For the past 6-7 years, he has been actively leading industrial and warehouse projects as a primary civil contractor. Driven by his determination and expertise, Mr. Jat is steadfastly working towards establishing **Aditya Infra** as a leading civil construction company in central India.

About Aditya Infra –

- ▶ **Aditya Infra** is driven by the belief in delivering the best to our clients. Client satisfaction is our ultimate report card. Over the past 6–7 years, we have successfully completed more than 10 projects as a leading civil contractor.
- ▶ Our expert team, composed of highly professional engineers and managers, ensures excellence in their respective domains. We specialize in industrial projects, including the construction of:
 - ▶ PEB (Pre-Engineered Building) sheds,
 - ▶ Administrative office buildings,
 - ▶ Roads and drainage systems,
 - ▶ Underground water tanks,
 - ▶ Sewage Treatment Plants (STP),
 - ▶ Effluent Treatment Plants (ETP),
 - ▶ Other miscellaneous works.

About Aditya Infra –

- ▶ Quality and safety are the two pillars that drive our success, earning client appreciation and ensuring timely project completion.
- ▶ We treat every client project as our own responsibility, which is why we consistently deliver the best in the industry.
- ▶ We have our own scaffolding material (About 50000 sq.ft.), machineries (JCB & Fiori) and a dedicated team (10+ staff and labor manpower as per requirement) to ensure timely completion of Project.
- ▶ Your trust is our strength. Please provide us with an opportunity to exceed your expectations.
